

ACCESS TO 7200 SOUTH AND I-215 IS CHANGING FOR DRIVERS ON NORTHBOUND I-15

The following changes are coming in late 2020:

- 1** Drivers on northbound I-15 will enter the new collector-distributor (C-D) system to access 7200 South and I-215. *This will be the only way to access these two locations from northbound I-15.*
- 2** Drivers on 9000 South will use the reconfigured on-ramp to enter the C-D system to access 7200 South and I-215 or to proceed onto northbound I-15.
